The McLean Group Advises Casals & Associates on Sale to DynCorp International

MCLEAN, Va. – January 26, 2010 – The McLean Group today announced that it acted as the exclusive mergers and acquisitions (M&A) advisor to Casals & Associates, Inc in its sale to DynCorp International (NYSE: DCP). The financial terms of the deal were not disclosed.

Casals & Associates, a private company headquartered in Alexandria, Va., helps to achieve U.S. foreign policy and international development priorities by assisting in the development of stable and democratic governments, implementing anti-corruption initiatives, and aiding the growth of democratic public and civil institutions. With over two decades of experience supporting U.S. Agency for International Development and international organization initiatives and programs, Casals & Associates has developed significant expertise in the areas of democracy and governance, conflict management and recovery, rule of law and access to justice, strengthening civil society, and public outreach.

The McLean Group's Government Contracting team focused its efforts on finding a buyer that would leverage Casals & Associates international development expertise as a key part of its corporate strategy. This transaction adds to the firm's history of successful federal contracting advisory assignments for clients whose primary clientele is the U.S. Agency for International Development.

"We are extremely pleased to join the DynCorp International team. Their tremendous depth of experience and track record in logistics, law enforcement training and mentoring, and global contingency operations in environments such as Afghanistan, Iraq, Liberia, Haiti and Somalia is a strong multiplier for our own expertise in meeting challenges in conflict management, anti-corruption, rule of law, and democratic governance initiatives," said Beatriz C. Casals, President of Casals & Associates.

Ms. Casals also commented, "The McLean Group's expert knowledge about our industry was invaluable and I was very impressed by the firm's ability to help us realize and achieve our maximum value. Cameron Hamilton's professionalism throughout the entire transaction was critical to helping this deal close and I am especially pleased with the end results."
